\$10,000 for State Roads. Two special meetings of the town were held the past week, one to see if the town would rescind a vote passed two or more years age in the past making an appropriation for state road, but which had not been used as yet. This was defeated, and the sec-ond, to see if the town would vote to construct more state road and to make an appropriation for the same. It was roted that an appropriation of \$10,000 be made and that a tax of 5 mills be laid to meet said appropriation.
